The screenshot shows the WinZip Pro application window. A dialog box titled "Add Complete" is open, displaying a bar chart comparing the original file size (6.06 MB) with the compressed size (2.51 MB). The dialog also lists the number of files (8) and the space savings (3.55 MB, 59%).

Category	Value
Space savings	3.55 MB (59%)
Total files	8
Total size before compression	6.06 MB
Total size after compression	2.51 MB

Additional details from the dialog box:

- Message: "Your files have been added. The files will be compressed when saved."
- Chart labels: "Original" (6.06 MB), "Compressed" (2.51 MB)
- Checkbox: "Do not display this dialog in the future" (unchecked)
- Button: "OK"

The background interface shows the WinZip Pro menu bar (File, Create/Share, Copy to, Backup, Tools, Settings, View, Help) and a sidebar with file categories like Documents, Project Files, and Security. The main pane shows a list of files in the "Documents" folder, including "Annual-Meeting", "Custom Office Templates", and "Project Files".
